

Lots of great news this month so lets get right to it! As many of you know Tom is in the shop full time now (except for the few hours he's in school) so he's now able to address many of the sewing machines with same day/next day service! After receiving your feedback we have changed our hours to accommodate your wishes for us to stay open later! Our new hours are Mondays, Wednesdays, Thursdays and Fridays from 9AM – 6PM, Saturdays from 10AM – 4PM. We will be closed Sundays and Tuesdays. Keep track of our latest day to day news on our blog, <http://blog.tfqqs.com> or find the link on our homepage. You can also subscribe to our blog by entering your e-mail address in the subscribe box on the left hand side of the blog page. Once subscribed, you will receive the latest entries right in your inbox, complete with pictures of our latest arrivals, blog only super sales, and important announcements. We have been receiving A LOT of new fabric in the past few weeks so if you haven't been in for a while, now's a great time to visit! We look forward to seeing you all soon!

Quilting Changes Everything!

Calling all quilters, sewers and crafters! American Patchwork & Quilting is challenging you to join our efforts to Make a Pillowcase, Make a Difference.

Every pillowcase can make a difference in your community. A pillowcase can provide comfort for a cancer patient, hope for a foster child, encouragement for a battered woman, or beauty for a nursing home resident.

Please bring finished standard-size pillowcases to The Shop and help make a difference! (Call us if you need directions or a pattern)

Attention Block of the Month Participants:

It is time to get together and see the many ways to put together the blocks you have been working so hard on for the last year!

Join us on Saturday February 13th at 10:00 am.

We'll be eating potluck, so bring a dish to share!

Bring your completed blocks to show and tell.

We will be discussing ways to put the blocks together.
